

Medical Translations

LCI is one of the leading companies in medical and pharmaceutical translations. We have a network of over 1,200 translators around the globe and many of them specialize in Medical Translations. Our professionals are not only specialized, but also native speakers.

Our translators have extensive experience with medical documents, such as

- Diagnostic reports
- Medical records
- Patient information
- Consent forms
- Medical history
- Patient instructions

We can also translate any other critical medical forms or records needed.

Why Choose LCI?

✓ **Our Translators are Native Speakers.** 100% of our translators are native speakers and have at least five years of expertise in their respective field.

✓ **Our Professionals are Specialized.** We have a network of over 1,200 translators worldwide. Our medical and pharmaceutical translators work **ONLY** on medical and pharmaceutical documents and are very proficient.

✓ **We Have Over Ten Years Experience in Meeting Corporate Clients' Needs.** LCI has over ten years experience translating documents for Fortune 500 companies, so we understand your needs. We know you want an accurate translation delivered in record time at very competitive prices and that's exactly what we give you.

✓ **Quick Delivery.** We deliver your translations in two business days. If it is a larger job, it might take us a day or two more, but we know that no other company delivers faster.

✓ **Cultural Awareness.** Not only do we translate accurately, but because we use native speakers our translators bring cultural awareness and sensitivity to your projects ensuring concise and localized translations.

✓ **We Translate From/Into Virtually Any Language.** We specialize in European languages such as Spanish, English, German, French, Italian, Portuguese, Dutch, Polish, Hungarian as well as non-European languages such as Russian, Chinese, Japanese, Korean and Arabic. We are continuously expanding our language base to handle the needs of our clients.

✓ **You Will Receive a Dedicated Project Manager.** An LCI Group project manager will take care of all your specific needs and assign one or a group of subject qualified translators.

✓ **Privacy policy:** At LCI Group we have confidentiality agreements with all our translators which assures total privacy for the documents being translated. You can request a "confidentiality agreement" with our company at any time even though we will work under this condition regardless of the contract.

✓ **Flexibility:** LCI Group adapts to our clients' individual needs. Our teams of professionals are ready to handle the most challenging projects in size, formatting and turnaround needs. LCI Group will take any document format and deliver the translation in the same format.

✓ **Client Service:** At LCI we don't want you to be just satisfied with our service. We want to exceed your expectations with the quality of our work and our people. We work really hard every day to make this happen.
